

Data Sheet

Arundale Mews, Pulborough
Completed September 2012

Reside Construction have recently completed the Arundale Mews development in Pulborough. The site consisted of the construction of 9 new homes and the refurbishment of a 113 year old building into 2 new bespoke dwellings. The new homes are a mixture of both 2 and 3 bedroom homes with the refurbished properties boasting 5 bedrooms. A mixture of contemporary and traditional designs meet high specification fixtures and fittings to provide a luxurious product with all bar 2 sold within 7 weeks of completion.

Four of the homes are constructed on split levels, providing considerable living space and stunning views over the South Downs. Unsurprisingly these were the first to be sold.

Afterbuild co-ordinate the after care service and advise us that the homes are some of the highest quality they have inspected.
